

POLICE AND DISPATCHER RECRUITMENT

The City of Pickerington Police Department tests continuously for the positions of police officer and public safety dispatcher through the National Testing Network, Inc. (NTN)

To schedule a test, go to www.nationaltestingnetwork.com, select Law Enforcement or Emergency Communications and sign up for the City of Pickerington Police Department. These tests are the first step in the entry level hiring process for public safety positions at the City of Pickerington.

What to expect at the NTN website:

- Completion of a preliminary application process
- Review of all information related to the City of Pickerington positions, including minimum requirements, salary and benefits.
- Detailed information about the testing process for both the entry level test and physical abilities testing (police officers only).
- Opportunity to take online practice tests at www.frontlinetest.com.
- Ability to schedule your own convenient test time. Tests are offered multiple times a week, including Saturdays.
- Participation in high quality job simulation tests offered in a standardized, fair testing environment.

Upon completion of the entry level exam, candidate scores are automatically forwarded to the City of Pickerington Human Resources Department. At the time a police officer or public safety dispatcher vacancy occurs, the city's HR Department will utilize this testing information to select candidates for interviews in accordance with these pre-established hiring guidelines:

[Public Safety Dispatcher](#)

National Testing Network is a service provided to conduct entry level testing in a standardized, professional environment. National Testing Network does not replace the City of Pickerington Police Department's responsibility and decision making in the testing process. All candidate results are provided to the City of Pickerington where the final decisions are made.
