

CITY OF PICKERINGTON

July 19, 2017

WHAT: Mosquito Spraying Schedule

WHEN: Wednesday & Thursday between 10:00 PM. and 6:00 AM.

WHERE: City of Pickerington

DETAILS: Mosquito spraying in the City of Pickerington will begin on July 19, 2017. Spraying will conclude near fall when temperatures drop. For the safety and health of City citizens, spraying is taking place during the hours of 10:00 PM and 6:00 AM. If a resident is sensitive to the fog sprayed, they are encouraged to keep their window closed. The City uses an environmentally friendly fog approved by the EPA.

Mosquito spraying is taking place north of the Norfolk Southern Railroad tracks on Wednesday and south of the tracks on Thursday nights.

If you have any questions please contact the Service Department at 614-833-2292.
